

Anthony Zamora

FULL STACK WEB DEVELOPER

Personal Summary

I am a Full Stack Web Development student at UCSD. My dream is to become a Full Stack Web Developer so I can create engaging content for everyone to enjoy. I currently work for an international real estate brokerage as a Marketing Specialist. I create everything from marketing assets to marketing plans for my clients. I want to use my marketing expertise and graphic design background to become an amazing Full Stack Web Developer!

Core Skills

- # HTML5
